

## NoSoCo Air Kicks-off its FARMER Incentive Program for 2026.

Accepting Applications November 17 through January 30.

The Funding Agricultural Replacement Measures for Emission Reductions (FARMER) Program provides funding through local air districts for equipment used in agricultural operations.

FARMER replaces older, high-polluting diesel equipment and vehicles with new cleaner replacements, including zero-emissions options.

### For 2026, NoSoCo Air is offering project categories of:

#### Off-Road Equipment

Up to 80% of eligible cost, includes tractors.

#### Low-Use Exempt Ag. Truck

Up to 65% of eligible cost. Truck  $\geq 14,000$  GVW used  $< 1,000$  miles per year and registered in TRUCERS as of 1/1/2023.

#### Electric Tractor

Up to 80% of eligible cost. Option for charger & extra battery.

#### Electric UTV

Up to 75% of eligible cost, \$13,500 cap. Option for charger & extra battery.

For details visit us online: [www.NoSoCoAir.org/incentives](http://www.NoSoCoAir.org/incentives) or email: [airquality@sonoma-county.org](mailto:airquality@sonoma-county.org) or by phone: 707.433.5911. Award of cash incentive is conditional upon the approval of the FARMER administrator and is not guaranteed by applying. Equipment replacements are for similar-use equipment without upgrades or accessories. "Eligible cost" is the replacement cost of baseline equipment with sales tax and no other fees. Funding requires a contract and annual use reporting. Requirements and restrictions apply pursuant to State and District rules and Program guidelines.
